

## Information about waste collection at Ytterøy

Innherred Renovasjon is responsible for the waste collection from houses and holiday homes in Ytterøy. All waste must be separated before disposing, in order to be recycled. If you are living, working or spending your holiday at Ytterøy, this is what applies to you:

### Resident?

You must have your own waste containers by the house. Contact us if you need more or bigger containers.

All waste must be sorted and separated in different containers according to the enclosed sorting guide. Good sorting can give a lower fee.

Bigger items and other sorts of waste must be brought to recycling centers, the nearest is at Mule, Levanger.

You can not use the containers at Coop Marked Ytterøy, these are only for the cabins and holiday homes.

Batteries, light bulbs and small electronic items can be delivered inside the store (Coop Marked).

### Holiday home owner?

Waste from your stay at the cabin or holiday home can be disposed of at the recycling point (containers) at Coop Marked Ytterøy. Remember to sort your waste according to the labeling on each container. See enclosed sorting guide.

Waste must not be placed outside the containers.

Batteries, light bulbs and small electronic items can be delivered inside the store (Coop Marked).

Waste that is too large for the containers, or for which there are no containers, can be delivered at no extra cost to a recycling center. The nearest is at Mule, Levanger.

### Business owner?

Waste from businesses are not covered by Innherred Renovasjon. If you need waste collection from your business, you must contact a private waste handling company.

You can not use the containers at Coop Marked Ytterøy.

You can bring your waste to one of IR's recycling centers, but will have to pay a fee based on the type and quantity of waste.

## Do you rent out your home?

If you have tenants in your house or apartment, it is your responsibility to ensure that they have waste containers with sufficient capacity, and that they receive information about the sorting scheme. The containers at Coop Marked Ytterøy can not be used by your tenants.
